

**TO: AN CATHAOIRLEACH
& EACH MEMBER OF KILKENNY COUNTY COUNCIL**

RE: ROAD WORKS SCHEME 2019

DATE: 9TH APRIL, 2019

Dear Councillor,

I attach herewith Report on Road Works Scheme for 2019. This programme of work has been discussed with each Municipal District.

Yours sincerely,

Tim Butler,
Director of Services.

Encl.

Roadworks Scheme 2019

Tim Butler, Director of Services.

April 2019

ROADWORKS SCHEME 2019

CONTENTS

- **Report by Director of Services**
- **Roadworks Scheme 2019 Appendices**

Appendix I.....T.I.I. Funding for National Roads.

Appendix II.....D.T.T. S. Funding for Non National Roads.

Appendix III.....Allocation of Funds by Municipal District Area.

Appendix IV.....Municipal District of Kilkenny City RWS

Appendix V(i).....Municipal District of Kilkenny Callan Rural RWS

**Appendix V(ii).....Municipal District of Kilkenny Thomastown
Rural RWS.**

Appendix VI Municipal District of Castlecomer Allocations

Appendix VII Municipal District of Piltown Allocations

Core Service Objective

To plan for and facilitate the transportation needs of the people residing in and travelling through County Kilkenny by developing and improving infrastructure including the formulation of public transport policy for the City & County. Corporate Plan 2014 - 2019

The following points are of note;

- 2019 Transport Infrastructure Ireland Grants for National Road Improvement and Maintenance total **€6,329,087**. The grant includes **€5,705,000** grant towards the costs associated with Major and Minor works. This includes for the following four stretches of pavement improvement schemes which will undertake later this year:
 - N76 Pavement Improvement Scheme in 4 no locations between Brownstown and Callan, works will consist of a structural overlay, drainage improvements, roadmarkings, signage and other associated works and an allocation of **€2,860,000** has be provided for same.

There are also 5 schemes on National Roads currently at different stages from tendering for consultants to planning. TII funding has been allocated to further advance these schemes in 2019. The schemes are:

- N24 Tower Road Junction Improvement Scheme
 - N24 Carrick Road Improvement Scheme
 - N78 Ballyragget to Ballynaslee Improvement Scheme
 - N25 Glenmore to Waterford
 - N24 Cahir to Waterford
- 2019 Department of Transport, Tourism and Sport grant allocations for the Non National Road Network total **€13,770,000** as compared to **€11,972,000** in 2018.
 - The 2019 Road Works Scheme provides for a total expenditure of **€23,773,337** in comparison with an overall budget of **€21,049,440** for 2018.

2.0 ROAD SCHEDULE, MAPROAD, PAVEMENT MANAGEMENT SYSTEM

2.1 The public road network for County Kilkenny is summarised in Table 1 below;

Road Category	kms
Motorway	68
National Primary	62
National Secondary	67
Regional	424
Local	2602
Total Network	3223

Table 2 Road Category by Municipal District Area

Road Classification	Municipal Districts			Totals (kms) (%)
	Castlecomer (kms) (%)	Kilkenny (kms) (%)	Piltown (kms) (%)	
Motorway (M)	21.11 31.09%	26.01 38.3%	20.79 30.61%	67.91 100.0%
National Primary (NP)	0.00 0.0%	17.04 27.34%	45.29 72.66%	62.33 100.0%
National Secondary (NS)	33.54 50.1%	33.52 49.98%	0.00 0.0%	67.06 100.0%
Regional (R)	131.99 31.12%	208.92 49.27%	83.16 19.61%	424.07 100.0%
Local Primary (LP)	332.43 41.82%	245.80 30.92%	216.77 27.27%	795 100.0%
Local Secondary (LS)	439.38 32.42%	439.82 32.45%	476.20 35.13%	1,355.40 100.0%

Totals (kms)	1,119.72 34.74%	1,130.90 35.08%	972.77 30.18%	3,223.39 100.0%

3. IMPROVEMENT GRANTS ON NATIONAL ROADS

3.1 Trends:-

The following Table compares the 2019 allocations for improvement works on national roads in County Kilkenny with those in previous years: -

Table 3 National Roads Funding Trends:

Year	Maintenance Grants	Major Improvements	Total Allocation
2000	€1,131,570	€14,478,000	€15,609,570
2001	€1,682,750	€17,155,160	€18,837,910
2002	€1,539,000	€9,527,066	€11,066,066
2003	€1,975,200	€13,567,770	€15,542,970
2004	€1,767,300	€11,160,750	€12,928,050
2005	€1,811,832	€26,145,000	€27,956,832
2006	€1,841,916	€87,290,000	€89,131,916
2007	€1,800,784	€173,538,784	€175,338,784
2008	€1,899,871	€242,298,000	€244,197,871
2009	€1,468,046	€199,688,000	€201,156,046
2010	€1,409,700	€79,424,461	€80,834,151
2011	€1,143,066	€12,453,673	€13,596,739
2012	€952,652	€6,857,800	€7,810,452
2013	€773,695	€914,755	€1,688,450
2014	€636,391	€924,600	€1,560,991
2015	€641,946	€6,129,197	€6,771,143
2016	€654,873	€5,634,197	€6,289,070
2017	€533,852	€6,459,200	€6,993,052
2018	€593,852	€5,310,000	€5,930,332
2019	€624,087	€5,705,000	€6,329,087
		Total Over Period	€948,949,150

3.3 National Road Maintenance Allocations

€624,087

Maintenance allocations provide for the day to day maintenance requirements of the National Road Network throughout County Kilkenny. The allocations fund the provision of winter maintenance (salting), the costs associated with traffic route lighting and normal repairs to the road surface, drainage infrastructure, safety barriers and signage.

4.0 GRANTS FOR NON-NATIONAL ROADS

4.1 Trends

The following Table compares the 2019 allocations for maintenance and improvement works on non national roads in County Kilkenny with those in previous years: -

Table 4 : Non National Road Allocations 2000-2019

Year	Own Resources	DTTS Allocation	Total Allocation
2000	€ 1,690,650	€ 7,970,145	€ 9,660,795
2001	€ 1,689,900	€ 9,183,380	€ 10,873,280
2002	€ 1,816,868	€ 10,535,698	€ 12,352,566
2003	€ 2,030,000	€ 10,404,000	€ 12,434,000
2004	€ 2,330,000	€ 10,459,000	€ 12,789,000
2005	€ 2,415,000	€ 10,864,500	€ 13,279,500
2006	€ 2,615,000	€ 12,920,500	€ 15,535,500
2007	€ 2,853,000	€ 14,476,900	€ 17,291,900
2008	€ 2,714,900	€ 14,775,764	€ 17,590,664
2009	€2,303,100	€11,373,699	€13,676,799
2010	€1,836,000	€10,490,699	€12,326,699
2011	€1,721,000	€ 9,871,745	€11,592,745
2012	€1,590,600	€9,898,343	€11,488,943
2013	€1,400,000	€9,958,007	€11,358,007
2014	€1,613,000	€9,238,000	€10,851,000
2015	€1,956,099	€8,876,788	€10,832,887
2016	€1,983,000	€8,931,601	€10,914,601
2017	€1,700,000	€9,724,107	€11,424,107
2018	€1,771,000	€11,972,000	€13,743,000
2019	€1,771,000	€12,678,250	€14,449,250
		Total Over Period	€240,015,993

4.2 Restoration Improvement and Restoration Maintenance

Restoration Grants continue to provide the main focus of the regional and local roads programme. The Improvement Grant allocation will be largely based on the 3-year works programme submitted by local authorities to the DTTs in 2018. Flexibility is afforded to local authorities to re-prioritise improvement schemes and these are agreed at Municipal District level.

To note local authorities can no longer transfer up to 19% of Restoration Improvement grant allocations to the more maintenance related Discretionary grant category. This reduces the councils capacity to undertake important improvements works such as the upgrade of footpaths.

The Restoration Maintenance and new supplementary maintenance grant provides funds for surface dressing works (tar and chips) which provides for a restoration of skid resistance, and resealing of the road surface thereby preventing the ingress of water to the foundation layers.

4.3 Local and Regional Roads Maintenance

Local and Regional Roads Maintenance is funded from the Council's own resources supplemented with a portion of the Discretionary Grant. As the Council's own provision decreases the requirement to augment local resources with transfers from Discretionary Grant increases. This reduces the Council's capacity to undertake specific, identified improvement projects as more grant resources are directed to the day to day repairs of the road network.

4.4 Bridge Rehabilitation Works Grant €200,000

Bridge Rehabilitation works, following on from Principal Inspections of the Council's Bridge Stock in recent years, will focus on the following bridges for 2019;

2019 Bridge Rehabilitation Works on Regional and Local Roads

Local Authority	Road Number	Location	LA Allocation
Kilkenny County Council	L6654	Mountnugent Townsland Bridge - Castlecomer	€25,000
Kilkenny County Council	L8220	Milltown Bridge - Skeaghvasteen	€20,000
Kilkenny County Council	L8220	Kanes Bridge - Castlecomer	€20,000
Kilkenny County Council	L1850	Cloneen Bridge - Cloneen	€20,000

Kilkenny County Council	L1837/1838/1389	Coan	€25,000
Kilkenny County Council	L2673 / L 2669	Works at Gaol road and Stephens street Kilkenny city	€20,000
Kilkenny County Council	R698	Owning Village	€30,000
Kilkenny County Council	R705	Gariguenamanagh Road with its junction with Killeen Lane L 8310	€35,000
Kilkenny County Council	R909 / R980	Works at College Road / Ormonde Road / New Street, Kilkenny City	€20,000
Kilkenny County Council	R 639	Main Street, Urlingford	€35,000

4.6 Specific Improvement Grant

€680,000

A successful application to DTTaS was made under the 2019 Specific Improvement Grant Scheme for a funding allocation of €680,000 to undertake the Thomastown Culvert Rehabilitation Scheme. This culvert carries a small stream under Regional Roads R700, R448 via Lady's Well Street, Pipe Street and Market Street and is 257m in length. The proposed works include for significant concrete and masonry repairs along with the installation of a Structural GRP Liner.

4.7 Community Involvement in Roadwork's (CIR) Scheme €494,000

This Scheme is targeted at the Local Tertiary Road Network (cul-de-sac) on which there are small volumes of traffic and where traffic is largely associated with local residences and local businesses.

4.8 Local Improvement Schemes €288,905

This grant scheme facilitates the completion of works on non-public accommodation roads and on private lanes. The principles of the Scheme are similar to the Community Involvement in Roadwork's Scheme. However the applicants has a lower % contribution to make.

defined projects and actions across the core areas of intervention namely, Engineering, Education, Enforcement and Engagement. In all, the plan sets out 45 individual Projects with 54 Actions /Targets running up to 2020.

Under the current plan another ambitious target is set-out to achieve a further reduction of 25% in the number of fatalities and serious injuries on the roads within County Kilkenny by 2020.

7. CONCLUSIONS

7.1 Whilst the 2019 Roadwork's Scheme largely concentrates on the maintenance of the road assets there will also be significant enhancements to both National and Non-National Routes and to public realm in villages and towns.

7.2 The issue of Road Safety is a key component of any Roadwork's Scheme. The Scheme elements agreed at Municipal District level play a key role in supporting the safety characteristics of the road network and complement and support the measures to be set out in the County Kilkenny Road Safety Plan 2015-2020.

7.3 The attached Roadwork's Scheme distributes the funds available in the most effective manner possible, having regard to

- the current condition of the road network,
- the priorities set out in the three year road restoration programme,
- the conditions attached to various grant categories,
- the approval by the Members at the recent Municipal District Meetings,
- the requirements of road safety and Health and Safety at Work legislation, and

I therefore recommend that the Council approve the Scheme.

Tim Butler,
Director of Services,
Corporate, HR, Roads & Transportation, Water Services, Health & Safety
& Communications

Appendix II.....D.T.T.S Funding for National Roads

30 January 2019

Circular RW 1/2019

2019 Regional and Local Road Grant Allocations

Dear Director of Service,

1. I am directed by the Minister for Transport, Tourism & Sport to enclose details of the 2019 grant allocations to your authority in respect of the maintenance and improvement of regional and local roads. The total grant allocation in 2019 under this Circular is €483.4 million. The amounts available nationally under the various grant headings are set out in Appendix 1 and individual local authority allocations and scheme details are set out in Appendix 3.
2. The conditions applying to the payment of allocations under the various grant categories are set out in the Memorandum on Grants for Regional and Local Roads issued on 29th November 2018 (RW14/2018) subject to any revisions that may be notified to local authorities.
3. In the context of the substantial Exchequer grant support being provided to local authorities, the Minister wishes to emphasise to Councils the importance of road maintenance and improvement works which promote the safety of all road users, including cyclists and pedestrians. Measures, including appropriate road pavement edge treatment, maintenance of verges, embankments and cuttings, roadside drains together with repairs of road pavement, footpaths, cycle tracks and cycleways, can all contribute to road safety and are eligible for grant assistance.

The Minister is conscious of concerns on the part of cycling organisations that overhanging branches and partially obscured road signs can present particular hazards for cyclists. The Minister also wants, therefore, to draw Councils' attention to the provisions of Section 70 of the Roads Act, as amended, in relation to the legal responsibility of landowners to take reasonable steps to ensure roadside hedges and trees are not a public road hazard and the powers available to Councils to ensure that appropriate action is taken by landowners and to step in and act immediately to reduce or remove a hazard.

to the Department by completing the "after" section of Form B in MapRoad and pressing the submit button thereby generating a further email and excel attachment.

13. As notified in last year's Circular the flexibility to transfer from the Restoration Improvement Grant to the Discretionary Grant is no longer available with effect from this year. Local authorities were advised to take account of this when planning their 2019 road budgets.

Restoration Maintenance Programme

14. The Restoration Maintenance (RM) Programme continues to be an important programme aimed at protecting road surfaces.
15. Given continuing constraints in relation to current funding for the RM programme, the provision of a Supplementary Restoration Maintenance (SRM) Grant using capital funding is being continued in 2019. An overall amount of €53 million will be provided under the RM and SRM programmes in 2019.
16. Both the RM and SRM Grants may only be used for Surface Dressing works. If sealing works other than surface dressing or surfacing works are required then they should be included under the RI or Discretionary Grant programmes. This means that works such as slurry sealing, clause 942 material, wearing course macadam and HRA which are often used in urban areas may now be only carried out under the RI or Discretionary Grant programmes.
17. Councils should record both their 2019 RM and SRM works under the Restoration Maintenance programme on MapRoad PMS by **28th February 2019**. The protocol set out in section 5 above regarding the submission of the RI programme also applies to the RM programme.
18. **Councils should plan their programmes to ensure that all their RM grant funding is drawn down first before claiming against the SRM grant.**

Discretionary Grant

19. Discretionary Grants (DG) amounting to €82.2 million will be available to meet the cost of maintenance and improvement works selected by local authorities pursuant to relevant Departmental Circulars.
20. The cost of salt used by local authorities in the winter period of 2017/2018 has been deducted from each authority's Discretionary Grant. Local authorities can use Discretionary grant monies towards staff or plant costs associated with salting operations or for the purchase of salt.
21. Councils are required to submit details of their proposed 2019 DG Programme on the excel sheet attached in Appendix 5. This return should be submitted to the Department at RLR@dtas.gov.ie by **28th February 2019**.

Local Improvements Scheme (LIS)

Road Safety in Housing Areas

30. Local authorities were requested to submit details of proposed expenditure on signage related to implementing the 30km/h speed limit signage programme in housing areas. Where applicable, grant allocations under the 30 km/h speed limit grant programme are set out in Appendix 3.

Own Resources Expenditure

31. The commitment of local authorities to contribute significantly from their own resources towards the cost of improving and maintaining the regional and local roads network is essential. In particular it is vital that local authorities at least maintain and increase, where possible, monies available for the maintenance and strengthening of road pavements. It may be necessary for local authorities to postpone major widening and realignment schemes to achieve this objective but the first priority must be the satisfactory protection of the existing road network.
32. It is vital that full consideration is given to utilising the Local Property Tax to boost own resources expenditure on regional and local road maintenance and renewal.

Contingency Provision

33. Local authorities are advised that the Department is not setting aside contingency monies to address possible severe weather events and that in line with established practice, a contingency provision should be reserved from the overall resources available to each authority for regional and local roads so as to deal with damage caused by severe weather conditions, including flooding.

Claims for payment of Grants

34. Local authorities should note that claims should continue to be made through Transport Infrastructure Ireland's (TII) project reporting system (PRS). These claims will be processed by the Department of Transport, Tourism and Sport. Local authorities should continue to attach general ledger expenditure reports making up the claim on the PRS.
35. As part of the claim approval process each local authority has to nominate an official to verify that a claim is in accordance with the requirements for chargeability of expenditure and that all amounts have been checked in full and are in order for payment. The Department would like to emphasise that it considers that this verification is a key part of the financial control system and expects this role to be executed with due diligence and care.
36. The Department also wants to emphasise that local authorities are required to submit claims on PRS before 12.30pm on the relevant Friday identified in the pay run schedule and if the claim is not submitted by that time, the Department will not be in a position to process the claim until the following month. Grant

APPENDIX 1

Grants available in 2019 under main grant headings

Grants being allocated to local authorities under this Circular comprise the following:

Category	2019
	€ m
Restoration Improvement (RI)	215
Restoration Maintenance (RM)	38
Supplementary Restoration Maintenance (SRM)	15
Discretionary Grant (DG)	82.2
Drainage Grant	20
Community Involvement Scheme (CIS)	15.3
Bridge Rehabilitation	10.7
Specific Grants	15.2
Grants for Strategic Projects	49.9
Training	1.66
Safety Improvement Scheme	9.1
Speed Limit Signage in Housing Areas	.76
Miscellaneous (incl. MapRoad, salt reserve & severe weather repairs)	10.6

Appendix 3

Grant Allocations

Kilkenny County Council	
Restoration Improvement	€6,948,000
Restoration Maintenance	€1,274,000
Supplementary Restoration Maintenance	€503,000
