**14 (22) Cllr. Maria Dollard** [*Deferred from September Meeting*]

“I would like to propose the motion that Kilkenny County Council acknowledges that thousands of people are suffering with adverse effects from Covid-19 for long periods of time. Unfortunately, the health supports that are needed for those suffering are not in abundance or widely available with the threat of some services currently in place, being withdrawn.

We propose that Long Covid Multidisciplinary Clinics with upskilled Occupational Therapists for post-COVID care, in both acute hospitals and primary care services, should be available in every county alongside the upskilling of relevant medical practitioners. The Council agrees to write to Minister for Health Stephen Donnelly, the Oireachtas Health Committee and the HSE CEO Paul Reid requesting that the provision of Long Covid Clinics is retained and expanded.

The Council also agrees to raise it with our Regional Health Board and/or local hospital and at any other suitable juncture.”

**16 (22) Cllr. David Fitzgerald**

“That Kilkenny County Council seeks a commitment from the President and Board of the Technological University of the South East (TUSE) that the Board adopts Kilkenny as a core location for a major Third Level Educational Faculty with a minimum of 1,000 full-time undergraduate students based on a Kilkenny City Campus in the forthcoming TUSE Strategic Plan”

**17 (22) Cllr. Mary Hilda Cavanagh**

“That this Council would write immediately to the Department of Rural and Community Development requesting resources to help with the advertising, management and overheads for the new Digital Hubs and in particular those Hubs which are stand alone, for example, the Hub in Urlingford.

12. **Fógraí i dtaobh Rúin ó Údaráis Áitiúla eile ag lorg tacaíochta ó Chomhairle Chontae Chill Chainnigh - Notices of Motion from other local authorities seeking support of Kilkenny County Council**

**34 (22) Wexford County Council**

“The Council agrees to write to Minister for Health Stephen Donnelly, the Oireachtas Health Committee and the HSE CEO Paul Reid requesting that the provision of Long Covid Clinics is retained and expanded. The Council also agrees to raise it with our Regional Health Board and/or local hospital and at any other suitable juncture. The Council then agrees to circulate this motion to the other Council’s asking them to consider same.”

**35 (22) Donegal County Council**

“That this Council calls on the Minister for Finance to review and change the rules on inheritance tax in so far as it relates to those who do not have immediate family members i.e. children. Consideration of equality should include the next blood relative.”
